

MPCT has an obligation to respond appropriately to the Government's advice regarding coronavirus. In order to aid the Government in fighting COVID-19 (coronavirus) and to help keep everyone safe MPCT will support the NHS "Test and Trace" service.

If there is a suspected or confirmed case of COVID-19 within MPCT then we may be required to share staff, learners, parents and visitor's personal data with NHS Test and Trace, who act as a Data Controller in their own right. We may also share this information with the Local Authority, who will use it for the purposes of COVID-19 prevention and detection only. This information may include:

- Your full name
- Your date of birth
- Your contact details
- Relevant medical information

We will keep a record of any information shared.

If the NHS Test and Trace service contacts you, the service will use text messages, email or phone. All information which we share through this service is shared in accordance with Article 6 and 9 of the GDPR:

*Article 6(1)(e) 'processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.'*

*Article 9(2)(i) 'processing is necessary for reasons of public interest in the area of public health, such as protecting against serious cross-border threats to health or ensuring high standards of quality and safety of healthcare.'*

For more information about the service please see the Government guidance and Public Health privacy notice:
